Please sponsor me (name of participant): _____

To (name of event): _____

In aid of: **FIBROACTIVE** (Fibromyalgia Support Group)

Fibro Active is a local support group for people with Fibromyalgia and Chronic Fatigue Syndrome and their carers. It is estimated that 1 in 20 of us has Fibromyalgia, which means you will probably know someone in your family, at school, at work or social circles who has it. There is no cause or cure but being part of a support group can help you accept and manage your symptoms. The money you raise will go directly into sustaining Fibro Active.
